

Have you ever thought about becoming a beekeeper?

Please join the Sheboygan County Beekeepers Association as they present a FREE informational meeting about beekeeping.

This informational meeting will cover a number of subjects including:

- ★ Why become a beekeeper?**
- ★ What is needed to become a beekeeper?**
- ★ What types of bees are native to our area?**
- ★ What is and how to maintain a pollinator friendly yard?**
- ★ Meeting will end with a question and answer session.**

If you or someone you know has ever had an interest in beekeeping this is an opportunity to learn about it and meet some of the local beekeepers in your community.
