

Thanks to everyone that braved the cold to attend the November Meeting and Holiday Potluck. It was a nice relaxing evening, and good to see everyone.

- Ken M. attended the Pollinator Movie in Wauwatosa. There was a total of about 30 people. That was the night of the snow, so that might have kept numbers down.
- We had 8 members attend the WHPA conference in Fond du Lac. Some interesting sites:

- Dan P. mentioned that the BeEvangelist will be giving a presentation on Tuesday, November 19<sup>th</sup>, at Generations in Plymouth at 7 pm.
- Garry O. talked about his trip to Slovenia. He will be working on a PowerPoint over winter and share pictures and discuss his trip in 2020.
- We are planning on having an informational meeting in February for anyone interested in beekeeping. More information will be coming after the Holidays. We would like to do advertising during January, so people interested will be aware of the meeting.
- End of the year financial info..... end of year savings \$952.85 and checking is \$1,024.97.

The food and fellowship was wonderful. Thanks again!
