Thanks to the small group that met.

We had a very informal meeting on Tuesday, November 10th, to discuss having an "Introduction to Beekeeping" for the public on Tuesday, February 9th, 2021. Dan H. has reserved Nourish for that evening, but being realistic we assume that this will be a ZOOM meeting. Shaun B. will again help us out with this.

We should be able to accommodate 200 people through the ZOOM site. Kathy P. is looking into the advertising that we did last year for the February 2020 meeting. We feel that the advertising resulted in a successful turnout for the 2020 meeting. Dan P. made a motion to give Kathy P. up to \$200 for advertising. Seconded by Peter D.

We thought that we would have.....

Amanda S. and her PowerPoint

Show a demo hive.

Time for Discussion.

Talking a little bit about mentoring.

It would be great if you could join us for the February 9th meeting, and that we have a good turnout from the club for the public to see. So please put that February 9th meeting on your calendar!!

Peter D. made a motion to adjourn, Elizabeth D. seconded.

Have a good Holiday season!!
