

Minutes for July 12, 2022

Attendance - 13

Treasurers report was not up to date. Ken will have it updated for August.

Old Business - No one signed up for August program.

Correspondence - Numerous people talked positively about our upcoming speaker, Tim Wilbanks. Numerous beekeepers talked about late swarms this year and appreciate Kathy passing it on to the membership.

New Business - We discussed hive beetles and treatment options.

Program - The state bee inspector, Donna Stein, stopped by and discussed what she had to offer local beekeepers and what her job entailed. She brought along literature for the taking. She encouraged anyone to contact her about any issues with beekeeping.

Hive reports were given and Allen Spindler provided refreshments.

Refreshments for next month; Drewry and Hocevar (spelling ??)
